

# Col D'Or

An Escape the Rat Race Narrowboat

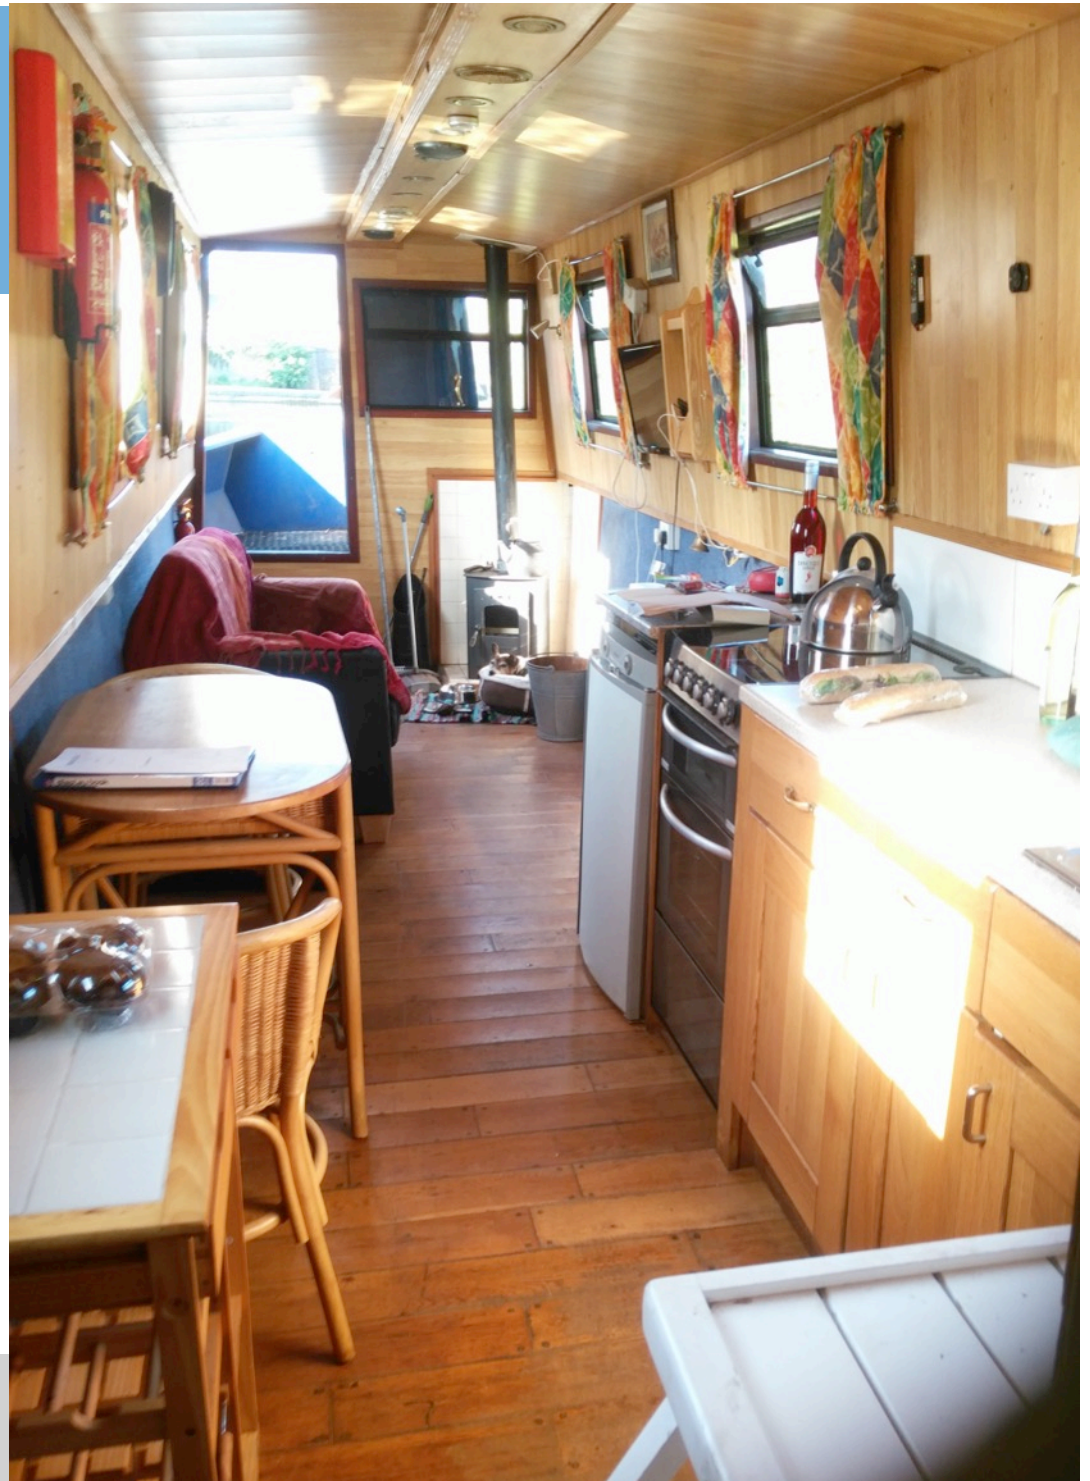

## Key Details

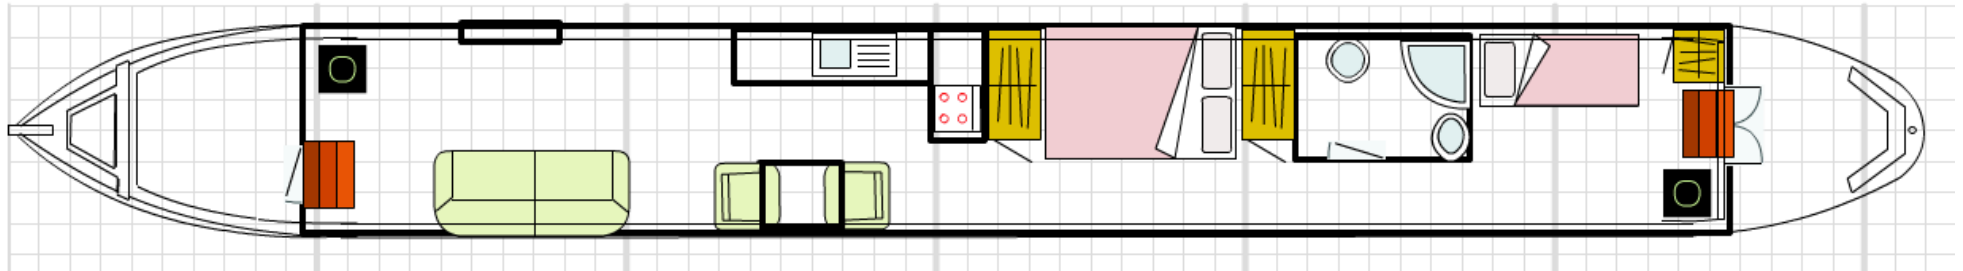

*Col D'Or is a 62ft narrowboat built in 1994 – the sister boat to Priscilla.*

*It has a light feel and a warmth that makes it a comfortable boat for two and with an extra fixed bed at the stern could accommodate a family and child.*

*This room could also make a comfortable office space for a professional wishing to work from the boat.*

# Boat Layout

Enclosed Cratch Area

Living area with woodburner and wall mounted TV

Spacious Kitchen and dining area

Fixed double with storage space

Bathroom

Flexible second bedroom with additional heating

Cruiser Stern

## Facilities

Priscilla has all the normal **“Escape The Rat Race”** facilities:

- a good sized fixed double bedroom;
- a good sized shower room, incorporating a full size wash hand basin with a pump out toilet;
- a nicely fitted kitchen

## Equipment

A welcome bottle of wine awaits you on your “Escape”.

We can provide the board fully equipped with crockery and cutlery for 4 people, utensils for all cooking, and towels and linen, or provide the boat empty – as you wish.

We provide you with a British Waterways Map, mooring stakes and windlasses - to help you navigate the canal and river network across the UK.

## 1. The Living Room

*This is the focal point of the boat with plenty of room for sitting whilst cruising, a wall mounted tv and space for preparing food and chatting over a glass of wine.*

*The area exudes warmth from the wood. The sitting room has loose furniture currently with a single sofa but there is an arrangement with individual easy chairs available.*

*The boat has a bow area under a cratch cover providing outside space on a nice day, or it can be fastened on to provide a little more warmth.*

## 2. Kitchen

With an oven, grill, hob and fridge.

There's plenty of work surface, and plenty of storage – as you'd expect from a long boat of this size.

Opposite the hob is a flexible dining table and chairs.

### 3. Main Bedroom

Behind the kitchen bulkhead and moving towards the rear, is a full-size fixed memory foam double, provided for good night time rest, obviously available with a mattress!

There is further storage for clothes, as well as strategically placed down-lights for night time reading.

## 4. Shower Room.

Col D'Or comes equipped with a full sized shower and a pump out toilet.

## 5. Second Bedroom

Flexible space at the rear, with a wardrobe and second wood burner.
